You've been challenged!

Raise awareness of the importance of reading to children.

1. Read to/with a child or children for at least 15 minutes.
2. Capture a photo or short video (15-30 seconds) of you reading to/with the child.
3. Use **#ReadaloudME** or **#ReadtoME** to post the photo/video on social media with your challenge to others to read aloud 15 minutes to a child or children they know.
4. Include **#raisingreadersME**, or post to the Raising Readers Facebook page.

Take the challenge anytime during February 2017!
