Summer 2017

raising readers

New Books for Newborn Totes

Hospitals and birth centers across the state introduce Maine families to Raising Readers by giving new families a tote filled with a few books. Just as the books given out at well-child visits turnover, so do the books in newborn totes.

Totes with these new titles began shipping in August: **Clare Beaton's Nursery Rhymes, Time for Bed, and Baby Talk**.

As always, old inventory should be used before ordering new totes. Thanks!

A Friendly Reminder

Raising Readers has been around for 17 years because you make the most of our resources by giving books to children at their scheduled well-child visits and using the Raising Readers books as our funder intended.

Do you need books for the waiting room, exam room, or the occasional long or difficult visit? Let us know! We can send publisher samples, when available, that can be used at your discretion.

So Nice to See You!

Routine face-to-face visits help us ensure you have everything you need to manage the program at your hospital or practice. We appreciate you taking the time to fit us in to your busy schedules this summer.

To those site coordinators we haven't visited this season, we look forward to seeing you throughout the coming year.
