### Staff Descriptions

**Raising Readers Physician Contact:** This person can be the medical director or a pediatric provider. He or she should be willing to be the physician “voice” for Raising Readers – encouraging clinicians at the site to participate and understanding the importance of including literacy in early pediatric care.

**Raising Readers On-site Coordinator:** This person is responsible for implementing the Raising Readers program at the site. This includes: sending book orders and periodic reports to Raising Readers, assigning and maintaining storage space for Raising Readers books, and assuring books are given by clinicians during each well child visit for children ages 2 months to 5 years.
