Site Update

Fall 2020

**Raising
Readers**
Celebrating 20 Years and 3 Million Books

Celebrating 20 years and 3 Million Books because of YOU!

Hot off the Press!

We are happy to share with you a copy of the ad we recently ran in the Bangor Daily News and the Maine Sunday Telegram listing every participating practice here in Maine. Feel free to hang this laminated copy in a practice waiting room, exam room, or wherever you choose! This ad will also be featured on our blog and social channels with the ability to share or even tag your practice name!

Raising Readers is the only program in the world that reaches all children in a single state thanks to your efforts and funding from the Libra Foundation. That's something to be proud of!

How Many Books Have you Given?

Did you know you can see how many books YOUR site has given out since the very beginning just by signing into your log in area? While you're there, take a moment to complete the annual operational update survey so we're sure to have all your updated information. If you don't have a login, you'll find a copy of the survey included with this newsletter packet to complete and return back to us.

Catching Kids up With Books!

Thanks for continuing to 'catch kids up' with books if they've missed well-child visits and let us know if there is anything we can do to help as we head into the Fall and Winter.

Now more than ever, we believe in the importance of parents and children finding comfort in sharing books together.
